

Hello Second Battalion Parents!!

Included here are the links for Parent/Teacher Conferences through a program called Sign Up Genius. The staggered time slots start this week and extend into December. All you need to do is click on the name of the teacher with which you would like to schedule a conference time slot. This will direct you to their sign up page, from there simply choose a time that works best for you, confirm your choice and enter your information and you will receive a confirmation email with the Zoom link to join that conference where you will be placed in the waiting room and admitted at the designated time.

**In order to connect to your conference, you must copy and paste the Zoom link from your confirmation email into your browser. You can also find the Zoom link on the original sign up page hyperlinked to each teacher name here.**

When you select a time slot for your conference please include your Cadet's name in the comment box. Don't worry, your Cadet's name will not be visible by other people.

Each conference is scheduled for 15 minutes but we ask that you keep your time to 10 minutes to accommodate the teachers so they may have 5 minute breaks between slots. (The Sign Up Genius program would not allow me to schedule breaks.)

Please be patient and understanding as this is the first time we have used the program Sign Up Genius. Additionally, if the Zoom meeting disconnects, please be patient while we fix it.

If there are conflicts in terms of overlapping teacher time slots or other scheduling needs, please email the teacher directly to set up a time that does work. Some teachers will be able to accommodate evening times. You can request a phone conference with individual teachers as well.
