

High School Supply List

- 1 Box Kleenex (bring to Homeroom Company)
- 2 Glue Sticks
- 2 Pencil Sharpeners (hand held with shaving catchers)
- 2 Sets of Dividers (5 or 8 tab)
- 3" Three Ring Binder (try to find a good, quality built one)
- 3x5 Index Cards (1 package)
- 4 Spiral Notebooks (college ruled)
- Cloth Pencil Pouch
- Colored Pencils (set of 12)
- Community Library Card (optional)
- Graph Paper (1/4" needs to be secured in binder)
- Highlighters (5 to 10)
- Independent Reading Book
- Notebook Paper (college ruled)
- Pencils (mechanical pencils are fine as long as you have adequate supply of lead)
- Pens (black or blue)
- Pocket Dictionary
- Pocket Thesaurus (optional)
- Ruler (must have metric scale. Preferably one with holes that can be secured in binder)
- Scientific Calculator
- Scissors
- Thumb Drive

The above items don't need to be expensive. A student's binder should only contain enough supplies for one quarter. Abundant supplies are often lost, destroyed, or given away. Keep It Simple Silly (KISS philosophy). Please have a place at home where the extra supplies are kept so they can be replenished as needed.

Donations are always appreciated! (Bring all donations to Homeroom Company)
