

Summer Internships!

Elevate
By Connected Lane County

Internship Dates: June 26 - August 9

Interns are paid \$17 per hour!

Connected Lane County's paid internships through our Elevate program provide youth with a 7-week internship at a local company for approximately 40 hours per week in the summer, to gain valuable hands-on experience in a field of interest.

In addition to learning about the various departments, operations, products, and services of the company, you will collaborate with your industry host to complete 1-2 projects, fulfilling learning objectives that you outline.

NOTE: Internships are in-person experiences.
The option to work remotely will not be available.

Important Dates

February 20 *Application opens*
March 30 *Application closes*

April 6 All letters of recommendation and guardian consent forms are due by 5:00 pm.

April 17 Interviews scheduled during this week
