### **2022-23 WLA School Supply List**

Due to sanitization requirements related to COVID-19, WLA may be unable to supply cadets with “Loaner” supplies or communal supplies in classrooms (supplies provided by the teacher and returned at the end of class). Keeping this in mind, the following supplies are required for all cadets.

#### **Supplies for All Cadets:**

- Pens - black/blue and red (no other colors please)
- Spiral notebooks - We recommend either one for each class or a “multi-subject” notebook.
- Pocket folders - We recommend one for each class to store handouts and assignments.
- 24 #2 pencils
- 1 pencil pouch
- 3 Pkgs lined, loose notebook paper
- Single 2 inch binder
- 2 erasers
- 6 subject dividers
- 1 scissors
- 1 ruler - we recommend plastic or wooden.  
*Please avoid flexible rulers or rulers with a metal edge.*
- 1 simple calculator
- 1 protractor (plastic)
- 3 highlighter pens
- Simple earbuds or headphones for in class computer use as needed - *no wireless or airpods!*
- One mesh or clear (see through) back pack

#### **Optional Supplies:**

- 1 manual pencil sharpener
- 1pkg 3X5 note cards
- 3 personal packets of Kleenex
- 1-2 extra face masks
- 3 glue sticks
- 1 set of color pencils or crayons

#### **Class Specific Supplies:**

- Geometry
  - Safety Compass (either a blunt tipped traditional compass or a flat plastic compass)
  - Protractor
  - Scientific calculator (Must have Sin, Cos, Tan functions for geometry)
- Algebra 1, Algebra 2
  - Scientific calculator (Square root, Log functions, etc.)

#### **Recommendations for Scientific Calculators:**

- Texas Instruments - Any variation of TI-30 such as TI-30XIIS (usually priced for \$10-15)
- Casio fx-300ES PLUS (usually priced about \$10)

- Graphing calculators are not necessary for most math courses. Please do not spend more than 10-20 dollars on a calculator. Amazon.com and Walmart usually have great deals on calculators. Most office supply stores will have a decent selection as well.
